Anything new? Current legal developments in European private M&A

The only constant in life is change. Embracing that simple truth, this session will look at some of the latest trends and developments in European private mergers and acquisitions (M&A), including:

- buyer or seller's market: where are we?
- EU Regulation on foreign subsidies;
- warranty and indemnity (W&I) insurance: going to the limits of coverage and case study; and
- the impact of new environmental risks on deal terms.

1400 – 1445

Rough times in the past and ahead! A fire side chat with a European business leader

Successful business leaders of today have to be everything, from competitive entrepreneurs to collaborative diplomats; they need to inspire others, convey purpose, preserve values and value, walk the talk and make the right decision quickly based on incomplete information. At the same time, they are confronted with challenges and opportunities that have never been more dynamic or complex. Our moderator will casually discuss with our guest the life of a business leader in the past, the present and the likely future.

Keynote speaker

Maurice Lévy *Publicis Groupe, Paris*

1445 – 1545

Enhancing best practice – live negotiation of foreign direct investment (FDI) terms

In the last few years, foreign direct investment regimes have mushroomed in various shapes and forms, in many jurisdictions around the world. They have also become an important reality in the European M&A world and need to be addressed properly in transaction agreements. While we are more accustomed to negotiating provisions for antitrust clearance, terms and conditions relating to FDI regimes are a relatively new challenge. The panel will briefly elaborate on the latest developments in the area of antitrust and FDI, as well as highlight some commonalities and differences of those regimes. However, the main part of the session will be dedicated to a live mock negotiation of FDI provisions in a European acquisition agreement.

Moderator

Sergio Sánchez Solé *Garrigues, Barcelona; Member, IBA Corporate and M&A Law Committee Advisory Board*

Speakers

Steve Cohen *Wachtell Lipton Rosen & Katz, New York; Co-Chair, IBA Corporate and M&A Law Committee*

Francesco Gianni *Gianni & Origoni, Rome; Member, IBA Senior Lawyers' Committee Advisory Board*

Nadège Nguyen *Gide Loyrette Nouel, Paris; LFMC Materials Co-Officer, IBA Law Firm Management Committee*

Veronica Roberts *Herbert Smith Freehills, London*

1545 – 1615 **Coffee/tea break**

1615 – 1715

Valuable or vicious? Navigating the wave of distressed M&A in Europe

In distressed deals enhanced risk meets opportunity. Such transactions promise to a buyer to be a bargain, as distressed sellers are usually forced to give considerable concessions in order to close a deal as soon as possible. To secure the deal, the buyer needs to keep that pace and act swiftly. Still, the last thing your client wants to do is to buy a problem without due consideration. Therefore, you need to get your act together promptly. The panel will highlight the main challenges of a distressed transaction in Europe and the precautions to take; it will also discuss the intricacies of deals with negative price, highlight the new EU rules on the treatment of shareholders and creditors and explore their influence on distressed deals now and in the future.

Moderator

Ralf Morshäuser *Gleiss Lutz, Munich; Vice Chair, IBA Corporate and M&A Law Committee*

Speakers

Michael Aiers *Stellantis, London*

Elsa Fraysse *Head of Legal Department Rothschild Global Advisory France, Rothschild & Co, Paris*

Toinon Hoss *Elvinger Hoss Prussen, Luxembourg*

François Kopf *Darros Villey Maillot Brochier, Paris*

1715 – 1815

Orchestrating the deal – masterclass in European cross-border M&A

Leading a cross-border M&A transaction is pretty much like conducting a philharmonic orchestra: you need to have the right rhythm, keep the momentum, communicate clearly, anticipate the next notes and keep all the involved parties in tune.

This panel will discuss the more general challenges of such a deal and exchange best practices and helpful tips how to manage such a project efficiently and effectively.

Moderator

Duco De Boer *Stibbe, Amsterdam*

Speakers

Annamaria Csenderics *Kinstellar, Budapest; TBC*

Marcel Jakob *Schellenberg Wittmer, Zurich*

Issues ahead: post-closing litigation, including price adjustment and warranty claims

As a consequence of the war in Ukraine, political tensions and conflicts around the world, higher interest rates, dislocations in the markets and the general economic downturn, litigation has again become more prevalent following the closing of M&A deals. This session will discuss the most common post-closing litigation issues and how to professionally handle them, in both insured and uninsured deals.

Refuse to lose – live pitch in front of a general counsel panel

Have you ever had to conduct sales presentations to win business? Surely you have! Interestingly, however, most of us have never been formally taught this skill and so generally think it is more a question of talent and luck than of hard work and preparation. The short response to this is: presenting at a so-called beauty parade is both an art and a science. In this session, the panel will engage in a live pitch. Two transaction lawyers will be pitching together for an upcoming major cross-border transaction and two general counsels will, under the lead of our moderator, evaluate the pitch. In doing so, the panel will cover the most important aspects that you need to consider for your next pitch!

Moderator

Speakers

Michael Coates *General Counsel Corporate / Group Chief Ethics & Compliance Officer, Shell International, The Hague*

Giovanni Pedersoli *PedersoliGattai, Milan*

Katja Roth Pellanda *General Counsel, Zurich Insurance, Zurich*

Adina Shapiro *Herzog, Tel Aviv; Scholarship Officer, IBA Corporate and M&A Law Committee*

The IBA, its officers and staff accept no responsibility for any views expressed, presentations or materials produced by delegates or speakers at the Conference.

The organisers may at any time, with or without giving notice, in their absolute discretion and without giving any reason, cancel or postpone the Conference, change its venue or any of the other published particulars, or withdraw any invitation to attend. In any case, neither the organisers nor any of their officers, employees, agents, members or representatives shall be liable for any loss, liability, damage or expense suffered or incurred by any person, nor will they return any money paid to them in connection with the Conference unless they are satisfied not only that the money in question remains under their control but also that the person who paid it has been unfairly prejudiced (as to which, decision shall be in their sole and unfettered discretion and, when announced, final and conclusive).

Continuing Professional Development/Continuing Legal Education

For Conference delegates from jurisdictions where CPD/CLE is mandatory, the IBA will provide a Certificate of Attendance for the Conference. Subject to CPD/CLE requirements, Conference delegates can use this to obtain the relevant number of hours' accreditation. The number of CPD/CLE hours available may vary depending on the rules applied by the members' bar association/law society on time recording criteria.

A Certificate of Attendance is available to Conference delegates on request. Please ask at the IBA Conference registration desk for information on how to obtain the certificate.

IBA Harassment Policy

IBA IBA conferences provide unrivalled professional development and network-building opportunities for international legal practitioners and their professional associates. The IBA values the participation of every delegate and member of the IBA and wants all attendees to have an enjoyable and fulfilling experience. Accordingly, all Conference attendees are expected to show respect and courtesy to other attendees, IBA staff and those involved with hosting the events throughout the Conference and at all Conference events, receptions, and parties, whether officially organised by the IBA or others. Unauthorised accommodation agents

It has been brought to our attention that there are multiple companies contacting past attendees, claiming to represent the IBA, offering 'assistance' with registration and hotel bookings.

They are operating by cold-calling and spamming companies whose names have appeared on previous List of Participants, Programmes and Sponsorship recognition.
